An Ancient Horror Grips the Earth...

The suffering in the world can be traced to the Dark Ones and their minions. They delight in causing pain and human suffering. At first, their activities were a total secret, but over the years a few brave men and women have learned about the Dark Ones, and now they dedicate their lives against this evil.

You can be one of this select few.

Dark Conspiracy—the roleplaying game of future horror. A bizarre blend of super-science and unspeakable horror. Compatible with the **Twilight: 2000** game system, but also a self-contained RPG in its own right.
